PRACTICE WEBSITE

Please take a look at our fantastic practice website:

www.watersidemc.nhs.uk

Here you can find lots of information on our recently finished build and renovation project, as well as important health pathways and information on how to access the services you need.

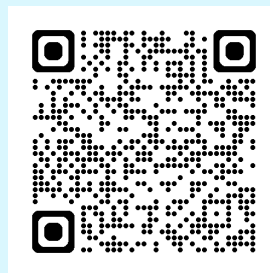

You can also find information on prescriptions, our practice catchment area and a newly updated 'meet the practice team' page!

Alcohol Awareness Week 1st to 7th July

Drinking can have a big effect on our health and wellbeing. It can negatively impact your brain, heart and liver as well other parts of your body. It can also lead to low mood and anxiety.

Worried about your alcohol intake? Take this quick quiz on [Check your drinking | Alcohol Change UK](#) or, if you're reading a physical copy of this, scan the QR code below.

WATERSIDE MEDICAL CENTRE IS AN ENHANCED ACCESS HUB
